- QUOTE: “ Paul read the psalms as the words of Christ, spoken prophetically by David. The implication, then, is that David spoke in these psalms as God’s inspired, anointed king, prefiguring the coming King and Messiah, who has the right to pronounce final judgment on his enemies and will do so, as the whole bible teaches. This is NOT PERSONAL VINDICTIVENESS. It is a prophetic execution of what will happen at the last day, when God casts all his enemies into the lake of fire.” John Piper
